Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Framework Components:

- **I am:** Describe customer with 3-4 key characteristics - who are they?
- **I'm trying to:** List their outcome or 'job' they care about - what are they trying to achieve?
- **but:** Describe what problems or barriers stand in the way - what bothers them most?
- **because:** Enter the 'root cause' of why the problem or barrier exists - what needs to be solved?
- **which makes me feel:** Describe the emotions from the customer's point of view - how does it impact them emotionally?
